

Capability Statement

Masters of Logo Swag

Golden Choice, Inc. is more than a full service SDVOSB certified advertising specialties company. In addition to offering a wide range of promotional items to promote your organization, events, gift giving and product branding - we actually manufacture many in-house. This capability allows us to produce smaller runs in a shorter amount of time. We are also able to design custom solutions while maintaining a high level of quality control.

Golden Choice Inc. was established in 1994. We strive to provide high quality advertising and promotional products to military groups, and the government as well as public and private organizations.

Core Competencies

Golden Choice, Inc. offers the swag your customers and prospects love as well as internal corporate identity items. We go beyond the standard tsootchkes:

- **Laser etching and engraving for:** Awards, Glassware, Stemware, Coasters, Ornaments, etc.
- **Full color UV printing delivers brilliant photo quality imagery on:** tumblers, coasters, yard signs, canvas prints, signage, portfolios, golf balls and beyond.
- **Customized and personalized Giveaways and Gifts:** We help you find a cost-effective way to demonstrate customer and employee appreciation while increasing brand recognition and promoting your business products and services.
